3. Regarding teaching of Sanskrit in our schools, it was re-emphasized that each student of any Sri Aurobindo Integral Education Centre must learn Sanskrit as best as possible and for that Sanskrit should be made compulsory for each child. It was learnt that some schools those were not teaching Sanskrit in the higher classes in their schools have re-introduced it from this session (2006-07). However the Trust Co-ordinators were advised to prepare a list of schools under their jurisdiction with status of Sanskrit in their schools.
